

Digital Partners Network and SKS launch a Seychelles-licensed ICSP

The FSA of Seychelles issues ICSP licence to Digital Corporate Partners (Africa) Limited (DCPAL), formed as a Joint Venture between Mauritius/Seychelles Digital Partners Network Group and Seychelles' SKS Firm

Mauritius, Seychelles, 5 July 2021: Digital Partners Network (DPN), a group of professional legal and financial services firms set up to meet the demands of disruptive businesses, and the SKS Firm (SKS), a Seychelles-based business growth specialist which provides audit, accounting, tax, payroll, compliance and outsourced financial services, are pleased to announce the launch of the Seychelles-based Digital Corporate Partners (Africa) Limited as an International Corporate Service Provider (ICSP), licensed by the Financial Services Authority (FSA) of Seychelles.

Combining the FinTech-focused expertise of DPN with the professional capabilities of SKS, DCPAL aims to provide the following core services: cross-border corporate structuring advisory services, incorporation and corporate management services in the Seychelles, technology-driven project management/coordination assistance including due diligence and compliance aspects, as well as one-stop shop support for the launch of Initial Public Offerings (IPOs), Initial Coin Offerings (ICOs) and Security Token Offerings (STOs).

What sets DCPAL apart from other corporate administration service providers is that it is in a unique position to leverage its sister entities within the SECDEX and GMEX Groups to provide innovative solutions to clients. These comprise services such as E-estate planning, tokenisation of traditional assets to increase agility and technical listing as a pre-IPO move to increase transparency, make capital raise easier and improve the client's public profile to attract more business and a better workforce.

Jessica T. Naga, Co- Founding Partner of Digital Partners Network and DCPAL, said: “This seal of regulatory approval from the FSA of Seychelles is invaluable to us, as it allows DCPAL to offer cutting-edge FinTech advisory services in conjunction with its sister entities within the SECDEX and GMEX Groups. Automation and digitalisation is in our DNA. Our processes are technology-driven, to optimise efficiency and security in every way.

We applaud the Seychelles Government’s focus on FinTech with its well-articulated National Fintech Strategy and its robust Regulatory Sandbox regime, and are pleased to partner with Seychelles-based SKS Firm which brings to the table 12 years of experience in supporting and growing businesses all over the world.”

Sheik Ali Wazeer Khodabux, Co-Founder and Director of DCPAL, commented: “DCPAL is a one-stop business and financial services provider combining a pool of highly qualified, experienced and competent professionals with a wide range of expertise. Being part of an international network of financial services also empowers DCPAL in providing cutting-edge services from Seychelles. I strongly believe that this partnership between SKS and DPN will also be beneficial for the emerging financial sector of Seychelles, which remains quite untapped.”

Manisha Kanbi, Partner of SKS Chartered Accountants and Executive Director at DCPAL, commented: “At DCPAL, we advise both local and international companies in terms of structuring/restructuring their organisation to maximise operational and financial efficiency. Whilst we are based in the Seychelles, we will work in conjunction with licensed law firms and management companies / corporate service providers across multiple jurisdictions, to ensure that coordination is seamless, and the client has one point of contact.”
